

Thank you for completing an Expression of Interest form at Mawson Lakes Preschool. As our centre is part of a new and growing community, at times we experience high demand for enrolment. Therefore, the preschool has developed a placement policy to help us manage enrolments during these times. This policy has been discussed with the community and our Education Director and is used in conjunction with the DfE School and Preschool Enrolment Policy and DfE Placement Procedure. These documents can be found at <https://www.education.sa.gov.au/doc/school-and-preschool-enrolment-policy> and <https://edi.sa.edu.au/library/document-library/controlled-procedures/placement-procedure.pdf>.

Please note that completing an Expression of Interest form at Mawson Lakes Preschool is not a guarantee of enrolment. It is the family's responsibility to contact the centre if their circumstances change and which will affect their Expression of Interest (eg contact numbers, change of address).

When the Expression of Interest is completed and returned to us, and you have shown us the original documentation, we will note the date and place your child's details in our Expression of Interest data base according to that date. We will also take a copy of your original documentation. As places are limited, they will be offered on a 'First Come, First Serve' basis, to families residing in Mawson Lakes, based on the date your Expression of Interest was received by us. If places remain available after families residing in Mawson Lakes have been offered a place, places will be offered to families living outside of Mawson Lakes based on the date your Expression of Interest was received by us. You will receive notification by email, approximately six months prior to the start of preschool, offering your child a place or advising you that a place is not available and that you have been placed on the waiting list.

If you are successful in securing a place, we seek your commitment to attend a minimum of two days per week for your child to gain the most out of the preschool program.

If we are unable to offer your child a place, we will provide families with information about alternative Preschools in the local area.

Any offer of a place at Mawson Lakes Preschool does not guarantee enrolment into Mawson Lakes School. Mawson Lakes School is zoned and a separate placement process applies. Please contact Mawson Lakes School on 8260 1681 for further details about their enrolment process.

Thank you for completing a registration of interest with us. You are welcome to contact us at any time for more information.
