

Our vision
 for all our children to be confident, resilient, socially competent individuals with a passion for learning

HIGH QUALITY LEARNING FOR ALL CHILDREN
 Provide a continued focus on pedagogy that is play based, builds on children's prior knowledge and provides intellectual stretch with a particular focus on numeracy and literacy learning and STEM

HIGH QUALITY LEARNING FOR ALL CHILDREN
 Critically reflect on how to authentically document children's learning and voice

BUILDING RELATIONSHIPS
 To build an understanding and respect for the traditional owners of this land and engage in meaningful dialogue and learning with all our families

BUILDING RELATIONSHIPS
 We have a continued commitment to establishing strong relationships with our children, so they feel valued and connected and demonstrate strong and positive dispositions for learning through appropriate social engagement
