

Week 5 Challenge + Movement

Throughout term 2 we have been looking at the book "Wombat Stew". In the story they put a range of bugs, insects and creatures (which are called "Mini-beasts") into a stew.

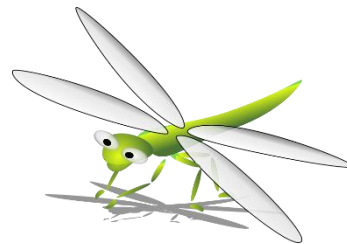

This week we have combined the challenge and the movement experience together. Search your home, garden, local park and community etc. to see if you can find these

Spider

mini-beasts!

Dragonfly

Butterfly/Moth

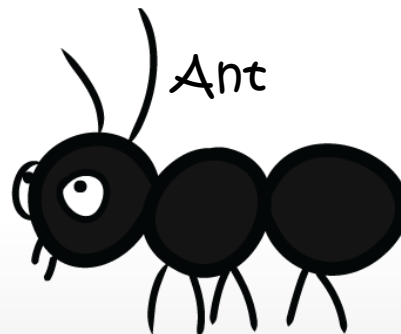

FLY

Bee

Ant

Extension:

What other mini-beasts did you see?

Can you think of any more mini-beasts to add to the list that you didn't see?

Can you make an animal hunt?
